SCAN PACK

GOTHENBURG

23-26 OCT.2018

Reach the decision
makers in the industry,
take the opportunity to
participate in
Scanpack's newsletter!

Next year it's time for Scanpack 2018 - Northern Europe's No.1 packaging exhibition with 500 exhibitors and 17,000 participants.

At SCANPACK 23-26 October, the packaging industry's leading suppliers gather to show future packaging solutions, latest innovations and new packaging methods.

HERE packaging buyers from all industries meet to discover recent trends and new technology that change and streamline the entire packaging process.

NOW Is your chance to be visible and reach out to the whole industry in connection with the fair!

OP Communication, together with the Swedish Exhibition & Congress Centre in Gothenburg will produce the official magazine and the newsletters for Scanpack 2018 and you will be able to participate in the following options:

The official magazine that will be distributed as a fair magazine and as a supplement.

The official magazine for Scanpack 2018 will be distributed in one of the biggest daily newspaper in Sweden, Dagens Industri with 330 000 readers. The official fair magazine will also be directly addressed to 30,000 professionals in the industry. The magazine will also be handed out at the fair and will serve as the official fair guide and source of inspiration for all visitors and exhibitors at Scanpack 2018.

**Newsletters with banners
sent regularly before the fair
(50,000 recipients / mailing).**

**Dagens
industri**
