

SCANPACK PIONEERS

THE STAGE FOR THE FUTURE PACKAGING INNOVATION

Scanpack Pioneers is a unique meeting place for business development, innovation and new opportunities. This is where the entire packaging industry has the opportunity to showcase its collective innovation and vision for the future. With a limited number of places for start-up companies, Scanpack Pioneers offers an opportunity to make valuable contacts, do business and spread innovative ideas to a wide audience. In 2022, Scanpack had a total of 12,899 participants from 4,125 companies in 45 countries. Take the plunge and become part of the packaging revolution of the future by participating in Scanpack Pioneers!

TARGETED OFFER TO START-UPS:

- Exhibitor space adjacent to Scanpack Pioneers
- Electrical sockets, 2 bar stools and bench
- Matchmaking tool
- Opportunity to pitch from the stage
- Price per participating company: **SEK 18,500 excl. VAT**
